TO GET COMPLETE RECORD OF ALL NORWICH SOLDIERS

Local Committee Is Taking Up the Work—Relatives Are Expected to Fill Out Blank Forms
Published in The Bulletin—Statistics Will Be Kept in State Archives at Capitol at
Hartford.

The Norwich War Bureau, under
the direction of the Connecticut State
Council of Defense, is endeavoring to
secure a complete and accurate list
of every man in the service of the
United States, including all the
branches of the army, the navy, the
Red Cross, and the Y. M. C. A. The
committee on information and re-
search of the Norwich War Bureau
in charge of this work consists of
Gilbert S. Raymond, chairman,
Charles S. Holbrook, Robert McNe-
ely, W. Tyler Olcott, Miss Mary E.
Richards and Miss Ethel M. Seyin.
The information desired appears on

the form printed herewith.
There is an immense amount of
work and detail and the task can be
accomplished only by the co-operation
and effort of patriotic citizens.

All the information will be put on
specially prepared cards. These cards
will make a permanent record of our
men in the service and one set of
the cards will be forwarded to Har-
tford to be deposited in the state capitol
as a permanent record for the
state and one set will be deposited
with the town.

The friends and relatives of those
in the service owe it to those away
to attend to this matter at once. This

is the only sure way of being in the
permanent record.
All relatives are requested to fill
out the accompanying form in The
Bulletin as accurately as possible,
giving the complete record of the one
in the service.

Friends of those in the service are
requested to bring this notice to the
attention of relatives. It is request-
ed that the form be filled out in lead
pencil and that it be indicated by
whom the form was filled out.

Fill out and clip this form from
this paper and mail to Gilbert S. Ray-
mond, 113 Thayer Building, Norwich,
Conn.

SUGAR CERTIFICATES
TO BE THE RULE
If Customers Are to Purchase More
Than Five Pounds Lots.

Sugar is again occupying the at-
tention of the food administration,
which believes it has the situation
well in hand and that its new mod-
ified certificate system will prevent
the recurrence of any acute sugar
shortage, such as worried the public
and the administration last winter.

Every retail dealer in Connecticut
has received notice of the form which
he must follow in having printed his
certificates, the execution of which
will entitle bona fide purchasers to buy
sugar for legitimate canning pur-
poses. The food administration has
notified scores of inquirers that the
merchandise, if they wish to
sell sugar to canners beyond the
